# Refund Policy : n8n M-Pesa Mastery

---

Last updated: 2026-10-03

This refund policy applies to digital purchases of **n8n M-Pesa Mastery** and any related downloadable assets, including videos, PDFs, workflow JSON files, templates, and private repository access.

---

## 1. Summary

---

We offer a **30-day refund window** for first-time purchases of the course.

If the course is not a fit, you may request a refund within 30 calendar days of purchase, subject to the conditions below.

---

## 2. Eligible purchases

---

The refund policy applies to:

- Starter tier
  - Pro tier
  - Agency tier
  - direct checkout purchases made through the approved sales page or checkout link
- 

## 3. Conditions for a refund

---

A refund request is normally approved if all of the following are true:

- the request is made within 30 days of purchase
  - the purchase can be verified using the checkout receipt, order number, or payment email
  - the request comes from the original buyer
  - the buyer has not violated the course access or acceptable-use terms
-

## 4. Non-refundable situations

---

A refund may be refused in the following situations:

- the request is made more than 30 days after purchase
  - the purchase cannot be verified
  - the buyer has shared private repo access, download links, or course files with others
  - the buyer initiated a chargeback instead of contacting support first
  - the buyer is requesting a second refund after a prior refund for the same product line
  - the purchase was part of a custom consulting, implementation, or done-for-you service agreement unless separately stated in writing
- 

## 5. What happens after a refund

---

If a refund is approved:

- access to the private consumer repository may be revoked
- any private community or premium access granted as part of the purchase may be revoked
- future product updates tied to that purchase may no longer be available

If you downloaded files before the refund, you must stop using them after the refund is completed.

---

## 6. How to request a refund

---

Send an email to:

**[support@yourcourse.co.ke](mailto:support@yourcourse.co.ke)**

Include:

- your full name
- the email address used at checkout
- your order / receipt ID
- the tier purchased
- a short note explaining the issue

A short explanation is helpful, but not mandatory for a legitimate refund request.

---

## 7. Response time

---

Refund requests are typically reviewed within **3 business days**.

If approved, the refund is sent back through the original payment method or checkout platform, subject to that platform's processing times.

---

## 8. Chargebacks

---

If you believe there was an accidental charge, please contact support before filing a chargeback.

Where possible, we prefer to resolve billing issues directly and quickly.

---

## 9. Course upgrades and downgrades

---

If you buy a lower tier and later upgrade to a higher tier, the upgrade payment is generally treated as a separate purchase unless otherwise stated on the checkout page.

Refund handling for upgrades may be reviewed case by case.

---
